

OPTUS SPLASH

WHAT IS OPTUS SPLASH?

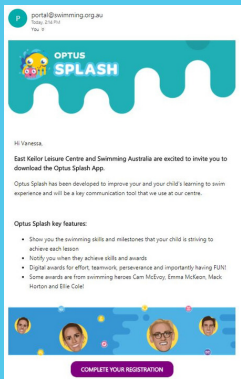

Optus Splash is a New App in which allows for parents to have access to Progression Feedback for their children's Swimming Lessons throughout the year.

KEY FEATURES

- Show you the swimming skills and milestones that your child is striving to achieve each lesson
- Notify you when they achieve skills and awards
- Digital awards for effort, teamwork, perseverance and importantly having FUN!
- Some awards are from swimming heroes Cam McEvoy, Emma McKeon, Mack Horton and Ellie Cole!

HOW TO USE THE APP

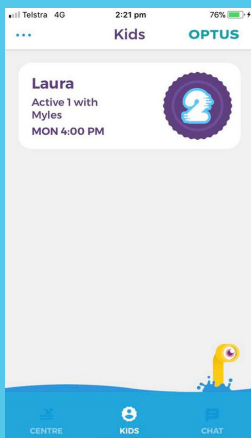

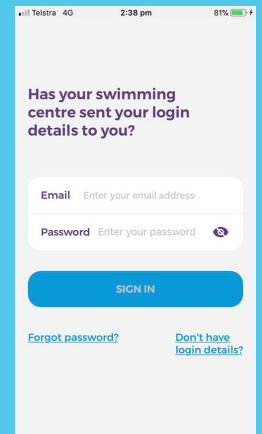

Login

You will receive an email in which will prompt you to Complete your Registration. This will take you to a new page that will ask for you to create a password.

Downloading the App

You will then need to download the OPTUS SPLASH App on your phone . Your login details to the app is YOUR EMAIL with the password just created.

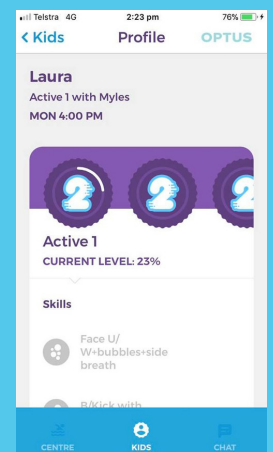

Kids Page

The kids page is the first page you are taken to upon logging into the app. This will have your children listed with their class level, teacher, day and time.

Your Child's Profile

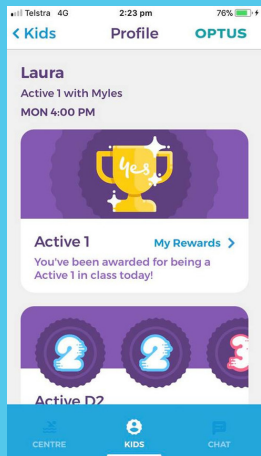

Selecting your child will then take you to their profile. This will show you the skills that are required to pass the level and will also show the skills that have been completed and on what date.

HOW TO USE THE APP

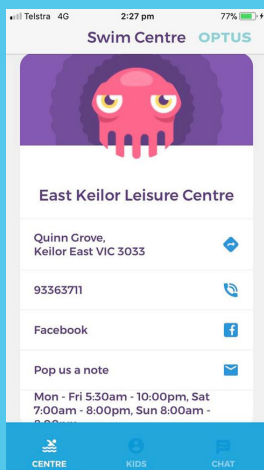

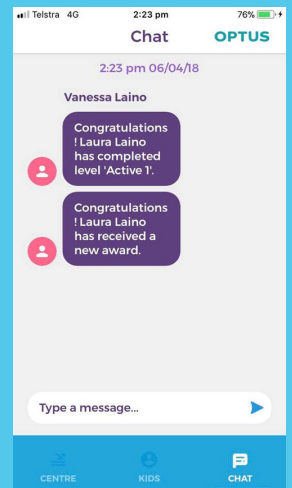

Level Achievement

Once a level has been passed it will come up as a reward on your child's profile and they will continue to accumulate as they move through the levels.

Chat Function

This function allows for you to communicate with our Aquatics Staff as well as notifying you once your child has passed a level.

Also look out for updates on class changes in this section.

Contact

There is a page on the app named 'Centre'. This allows for you to see all contacts to be able to seek further information from the East Keilor Staff.

FAQS

WHAT HAPPENS IF I CAN'T LOG IN?

Come into the Centre and one of our friendly Aquatics Staff can assist you with the app download.

ONCE MY CHILD PASSES A LEVEL WHAT DO I DO?

Come into the Centre and show our friendly staff the Progression Award on your app and we can choose a new class time for them.

HOW OFTEN DOES MY CHILD GET ASSESSED?

The children are being assessed constantly as all children progress in their own way and their own time. The app is a good indicator of the skills that have been achieved as well as their progression along the way.

I DO NOT GET NOTIFIED WHEN A MESSAGE IS SENT THROUGH?

When you download the app you must ensure that you 'Allow Notifications' or else you cannot see when we send through messages to you.
